"It takes a village..."

Showing community support is of utmost importance when applying for grants.

The cooperation between the Village of Kenesaw, Kenesaw Public Schools, Kenesaw Community Development Corporation, and the Kenesaw community as a whole is invaluable.

Quantity of donors will be just as impactful as total dollars raised.

We need **YOU** to make this project a reality!

Additional Details

Kenesaw leaders have been working diligently to create a plan that is fiscally responsible, and will last well into the future. Some key details include:

- Any donations to this project are tax deductible. See pledge sheet for the different ways you can donate.
- The property will be owned by the Village of Kenesaw - ensuring a stable custodian to care for the building for future generations.
- Kenesaw Public Schools will lease the basement to house the wrestling and CNA programs. The basement will have a separate entrance from the outside for school use.
- An elevator is planned to make the basement space ADA accessible.
